

CONTRACTS AWARDED FOR PAVING IN HIGHLAND PARK.

Contracts have been awarded for repaving Knox street between the Katy and tracks and Abbott street, and Asher street, between Lexington and C. avenues in Highland Park, as the work of repaving a large number of streets in the incorporated village paving work will be commenced Monday if weather does not prevent. The Gas Railway Company will pay for the cost of the paving; Hugh Prather of the Flippen-Prather Company, said yesterday. Special steel for tracks on the street to be paved was laid several days ago.

Other streets will be repaved or repaved through contract with the Flippen-Prather Company. The cost of the paving of the streets is guaranteed by the application of asphalt to the
